## **THE BRAND**

Bentley Motors is the world's leading manufacturer of luxury cars. From W.O. Bentley, who founded Bentley Motors in 1919, to the current team of over 4,000 dedicated employees, the company's extraordinary cars have always been designed and built by exceptional people using only the finest of materials. They have always been driven by exceptional people, too. From the passionate Bentley Boys and Girls who raced the cars in the 1920s, encouraging W.O. Bentley to achieve ever greater feats of engineering, to the visionary Bentley owners of today, Bentley drivers help to shape the world around them.
